

## **Feel**

Come and hold my hand  
I wanna contact the living  
Not sure I understand  
This role I've been given  
I sit and talk to God  
And he just laughs at my plans  
My head speaks a language  
I don't understand

I just wanna feel real love  
Feel the home that I live in  
Cos I got too much life  
Running through my veins  
Going to waste  
I don't wanna die  
But I ain't keen on living either  
Before I fall in love  
I'm preparing to leave her

Scare myself to death  
That's why I keep on running  
Before I've arrived  
I can see myself coming  
I just wanna feel real love  
Feel the home that I live in  
Cos I got too much life  
Running through my veins  
Going to waste  
And I need to feel  
Real love and the love ever after  
I can not get enough

I just wanna feel  
Real love feel the home  
that I live in  
I got too much love  
Running through my veins  
Going to waste

I just wanna feel real love  
and the love ever after  
There's a hole in my soul  
You can see it in my face  
It's a real big place

Come and hold my hand  
I wanna contact the living  
Not sure I understand  
This role I've been given

Not sure I understand  
Not sure I understand  
Not sure I understand  
Not sure I understand
