HARD TO SAY I'M SORRY

Words & music: Foster, David/Cetera, Peter
As recorded by Multi Mix Music

1. Everybody needs a little time away
   I heard her say
   From each other
   Even lovers need a holiday
   Far away
   From each other

2. Hold me now
   It's hard for me to say I'm sorry
   I just want you to stay — Stay with me, oo
   After all that we've been through
   I will make it up to you
   I promise you
   And after all that's been said and done — Oo-vocals
   You're just a part of me I can't let go

3. Couldn't stand to be kept away
   Not for a day
   From your body
   Wouldn't wanna be swept away
   Far away, from the one that I love

4. Hold me now
   It's hard for me to say I'm sorry
   I just want yoU to know — You to know, oo
   Hold me now, I really wanna tell you I'm sorry
   I could never let you go

5. After all that we've been through
   I will make it up to you
   I promise you
   And after all that's been said and done
   You're just a part of me I can't let go — Ah-vocals

6. After all that we've been through
   I will make it up to you
   I promise you

7. You're gonna be the lucky one

8. And after all that's been said and done
   You're just a part of me I can't let go — I can't let go
