

I'll be there for you

So no-one told you life was gonna be this way. (klap 4x)
Your job's a joke you're broke, your love life's DOA.
It's like you're always stuck in second gear.
And it hasn't been your day you week your month or even your year.

Refrain

I'll be there for you, when the rain starts to pour.
I'll be there for you, like I've been there before.
I'll be there for you, like you're there for me too.

You're still in bed at ten and work began at eight. (klap 4x)
You burnt you breakfast so far things are going great.
Your mother warned you there'd be days like these.
But she didn't say that when the world has brought you down to you knees that.

Refrain

I'll be there for you, when the rain starts to pour.
I'll be there for you, like I've been there before.
I'll be there for. you, like you're there for me too.

Bridge

No-one could ever know me.
No-one could ever see me.
Seems like you're the only one who knows.
What it's like to be me.
Someone to face the day with.
Make it through all the rest with.
Someone I always laugh with.
Even at my worst I'm best with you, yeah!

It's like you're always stuck in second gear.
And it hasn't been your day your week your month or even your year.

Refrain

I'll be there for you, when the rain starts to pour.
I'll be there for you, like I've been there before.
I'll be there for you, like you're there for me too.

I'll be there for you, when the rain starts to pour.
I'll be there for you, like I've been there before.
I'll be there for you, like you're there for me too. Yeah!
