Lonely this Christmas

Try to imagine a house that's not a home
Try to imagine Christmas all alone
That's what I'll be, since you left me
My tears could melt the snow
what can I do, without you
I've got no place, no place to go

It'll be lonely this Christmas, without you to hold
It'll be lonely this Christmas, lonely and cold
It'll be cold so cold without you to hold
This Christmas

Each time I remember, the day you went away
And how I would listen to the things you had to say
I just break down as I look around and the only things I see
Are emptiness and loneliness
and an unlit Christmas-tree

It'll be lonely this Christmas, without you to hold
It'll be lonely this Christmas, lonely and cold
It'll be cold so cold without you to hold
This Christmas

Spoken

*Do you remember last year when you and I were here
We never thought there 'll be an end
And I remember looking at you then
and I remember thinking that Christmas must have been made for us
'Cause darling, this is the time of year that you really, you really need
love
and it means so very, very much*

It'll be lonely this Christmas, without you to hold.
It'll be lonely this Christmas, lonely and cold.
It'll be cold so cold without you to hold
This Christmas
