

SUMMER IN THE CITY

Hot town, summer in the city. Back of my neck, getting dirty and gritty.
Been down, isn't it a pitty. Doesn't seem to be a shadow in the city
All around, people looking half dead.
Walking on the sidewalk, hotter than a match-head.

But at night, it's a different world. Go out and find a girl.
Come on, come on and dance all night. Despite the heat, it'll be alright.

And babe, don't you know it's a pitty. That the days, can't be just like the nights.
In the summer, in the city. In the summer, in the city.

Intro 1x

Cool town, evening in the city. Dressing so fine and looking so pretty.
Cool cat, looking for a kitty. Gonna look in every corner of the city.
Untill I'm wheezing like a bus stop.
Running up the stairs, gonna meet you on the rooftop.

But at night, it's a different world. Go out and find a girl.
Come on, come on and dance all night. Despite the heat, it'll be alright.

And babe, don't you know it's a pitty. That the days, can't be just like the nights.
In the summer, in the city. In the summer, in the city.
