

YOU'VE GOT A FRIEND

Words & Music: Carole King

As recorded by MuiTi Mix Music - Arranged by Rob de Visser

When you're down and troubled
And you need some lovin' care
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest nights

Close your eyes
And know that soon
I will be there

2 You just call out my name
And you know wherever I am
I'll come runnin'
To see you again
Winter, spring, summer or fall
All you've got to do is call
And I'll be there, yes I will
You've got a friend
You've got a friend

3 If the sky above you
Should turn dark and full of clouds
And that old
Northwind should begin to blow
Keep your head together
And call my name out loud
And soon
I will be knocking upon your door

If the sky
And that old
Northwind should begin to blow
And soon
I will be knocking upon your door

4 You just call out my name
And you know wherever I am
I'll come runnin'
To see you again
Winter, spring, summer or fall
All you've got to do is call
And I'll be there, yes I will

Now ain't it good to know
That you've got a friend
When people can be so cold
They hurt you
And desert you
And they'll take your soul if you let them
Oh but don't you let them

Ain't it good to know
That you've got a friend
So cold they can hurt you
And desert you

6 You just call out my name
And you know wherever I am
I'll come runnin'
To see you again
Don't you know that in
Winter, spring, summer or fall
All you've got to do is call
And Til be there, yes I will

Call out my name
You know, wherever I am'
I'll come runnin'

7 You've got a friend
You've got a friend
Ain't it good to know, you've got a friend
You've got a friend
Ain't it good to know that you've got a friend
You've got a friend

You've got a friend in me
You've got a friend in me
You've got a friend in me
